Important Information For Parents

Our goal is to look upon all we do, as if, through the eyes of a parent. The individual campers well being is our primary concern. New friends, fun, adventure, and personal growth in a safe and caring environment will offer your child a positive experience that will last a lifetime.

Shortly after registration, parents will receive an information packet to help prepare for camp. Please look this over and feel free to contact our office with any questions or requests. Below are a few items that may be important to you:

- Our medical staff will assist you with any personal or special medical needs.
- All campers take a swim test to insure their safety on the waterfront.
- We strongly encourage non-swimmers to participate in our swim lessons.
- Campers live in cabin or tent sections by age and grade.
- We will honor one housing request per camper so that two friends in the same age group may stay in the same living section.
- Family visitors are welcome at camp but the best time to view the facilities are on arrival and departure days.
- Sibling discounts are available for programs with a minimum one-week stay (excluding Stamper).
- Snacks, souvenirs, some craft supplies, and horse activities have an extra cost. Fees for the Ranch and Circle A Programs include lessons and riding.

Camp Anokijig serves people regardless of race, creed, handicap, or national origin.

Leadership

Our staff are chosen for their understanding of young people and their ability to communicate with them on a positive level. Our camper to staff ratio has been four to one. Most of our staff are previous Anokijig campers, so they bring a perspective to camp work deeply enhanced by Anokijig's rich spirit and tradition. All staff attend an extensive training program prior to camp opening. Kids love us, parents trust us.

Health & Safety

Health and safety are our number one priorities. A medical staff lives at Camp Anokijig. Physicians are available twenty-four hours a day, with a clinic and hospital only minutes away. Our waterfront staff are certified lifeguards. Counselors are trained in First Aid and CPR.

Teen Leadership Program

If you are 15 years old or older, you may qualify to participate in our Jr. Staff Leadership Program. Contact the Anokijig office for more information.

Earn Your Way

Any camper can participate in our candy sale or internet gift sales program to earn all or a portion of their camp fee. It is easy to do and fun besides.

- Candy Sales - Sell candy in person to friends, family, and acquaintances with 50% of each sale going toward your fees.
- On-line Gift and Magazine Sales - Register at the on-line sales store and distribute your code to friends, family, and acquaintances. When they buy gifts, candy, or magazine subscriptions through the online store - your camp account gets 40% of the sale.

Choose one or both ways to fund your stay this summer. Check out www.anokijig.com for details.

Bring a new camper to Anokijig, for a week long program, and earn a discount. Bring enough new friends and come for FREE.

STAMPER: If you are at least 14 and willing to work in our kitchen/dining hall for 1 meal a day (approx. 2-3 hours), you are eligible to reduce your Resident Camp fee in our Stamper Program.

Camp Anokijig has chosen to be a member of the American Camp Association to ensure that we are providing the best and safest camping experience available today.

Location

You will find Anokijig in the Northern Kettle Moraine Forest. 356 acres of scenic hardwoods surrounding Little Elkhart Lake. Resident Camp Specialty Programs

Specialty Programs combine all of the activities of "Resident Camp" with a focus on one particular activity for part of the day. Many programs, like horses or fishing, are available in both "Resident Camp" and "Specialty Programs" with the difference being the level of focus.

Ranch and Circle A Riders

Resident Camp Specialty Offered each session
All campers in Resident Camp may choose to participate in horse-related activities on a daily basis. But if you want to spend more time down at the corral, you can sign up in advance for one of our two horse related specialty programs. Together they'll help make something magical happen with characters developed with their imaginations. Each afternoon, campers can enjoy all of the great recreational activities of Resident Camp. **Open to all ages.**
