

# Adventure Challenge 2016

## Weeks 2, 3, 4, 5, 6, 7, and 8

Have you ever watched one of the dozens of Survivor-like shows on the air and said, “I could do that!” Now is your chance! We are into our 7<sup>th</sup> year and the challenges just keep getting bigger and better! We’ll keep the week “rolling” out on Victory Hill. Later, you will see that water hazards aren’t always meant to be avoided when playing golf from a boat. And maybe we’ll solve the mystery of why we have over 1500 balloons waiting for you. Compete, build, destroy, solve! Come join the challenge, for both the mind and the body, as you compete to see who will reign as the 2016 champions!

- You will be getting wet and competing physically in the outdoors. Please bring appropriate clothing. Close-toed shoes will be mandatory for some events.
- All other equipment and materials will be provided by Camp Anokijig
