

CAMP ANOKIJIG

CARING HONESTY RESPECT RESPONSIBILITY

Greetings from Anokijig,

Hope you had a great Holiday Season! We just want to let you know that the 2018 Junior and Senior Staff printable application forms are now available online (go to <http://www.anokijig.com/summer-camp/work-summer-camp/staff-applications-forms>). The Junior staff also have an active online version (which we would prefer to have you use, but if the isn's possible paper still works. For In addition, we hope to have online application forms for senior staff by mid January.

Please be aware that we are planning on continuing to revise and re-invigorate to our staff orientation system. For 2018 if you accept a position for Sr. Staff or Jr. Staff you will be asked to complete several online video/quiz training sessions, some new and some for review. These sessions will cover topics that would be otherwise done in a lecture format at the summer onsite orientation. By completing this information before arrival at camp, we will be able to focus the majority of the onsite time to program area skill improvement and other hands-on subjects. Further if you are returning staff there are different videos to help expand your knowlege. Hopefully this will make all of our staff members more informed and make the onsite orientation much more valuable and enjoyable. But it will **require** effort on your part prior to your arrival. This part of your personal staff orientation should be available much sooner this season however. Our projected start date for video training will be February 15th, 2018.

As a reminder, Senior Staff question should be sent to Darin (darinh@anokijig.net) and Junior Staff questions should be directed to Claude (clauddeg@anokijig.net)

Feel free to share this information with anyone you know who might be interested.

We are already making some great plans for the summer of 2018 and we would like to see you be a part of them!

Sincerely,

Claude Gonzales
