

Ranch Camp 2018

Offered All Weeks of Summer Camp

Yee haw! Get ready for a week of adventure and fun at Anokijig's Broken Circle-A Ranch where 50+ horses are eagerly awaiting your arrival. Each participant will be matched with a horse appropriate to their riding level. All ability levels will be accommodated for and campers will work individually and as a group on skills appropriate to their riding level. Our optional four level scarf achievement program allows campers to not only learn about riding, but about the care and development of the horse as a whole.

The Scarf Program focuses on a holistic view of becoming a horseperson, expanding our knowledge of the horse in addition to our riding skills. Every morning you will spend time grooming, saddling, and bridling your horse, preparing them for the day. Then we will head out on the trail and into the fields to learn how to ride in the Western style. Lessons include some ring work and trail rides with a focus on games that will teach you and allow you to practice riding skills. Our highly trained staff will accompany, teach, and supervise the Ranch program. Helmets are required and provided, but you can bring your own if you have one (horseback riding helmets only). Please do not bring your own horse—we will pick one of ours to become yours for the week!
