WHITEWATER RAFTING DAY TRIP
Wildman Ranch, Athelstane, WI
June 14, June 21, June 28, July 6, July 13
7:30 AM—5:30 PM

Bring along your high adrenaline and tackle the rushing rapids in your own “thrill-cat,” personal catamaran. The Whitewater Rafting Day Trip will take us north to Wildman Ranch, where the water is fast and the trip down the river is a thrilling adventure. Upon arriving, we will eat lunch, meet our certified guides, and suit up for our trip down the Peshtigo River. We will paddle through the famous “Roaring Rapids,” the longest continuous stretch of whitewater in the Midwest, and take on other class II and class III rapids surrounded by granite rock formation and spectacular scenery. If the water is low, we will still raft, but have more time to play in the rapids. After all our adventures are over, we will head back to Camp, just in time for dinner.

What to look forward to:

- Quality paddling instruction from certified whitewater rafting guides
- Class II and III rapids
- Paddling the longest stretch of rapids in the Midwest
- Amazing scenery
- Awesome rush of water!

What to Bring?
