CAMPER CODE OF CONDUCT FORM

Included in the parent pack is a form that outlines our expectations of behavior for all campers. Please review this policy with your camper, then sign and return with your required paperwork. Please contact our business office with any questions.

HOMESICKNESS

Homesickness is a normal feeling that most children experience at some point during their camp stay. However, homesickness usually subsides on its own within the first 24-36 hours, once campers become more comfortable with their surroundings. Please be assured counselors and camp staff make special efforts to identify and counsel campers experiencing homesickness. We encourage all campers to stay busy in the camp programs where they can redirect their thoughts by making connections with other campers and staff which is usually a cure. If your child writes and indicates they are homesick, please feel free to contact the camp office for an update. As a general rule we do discourage a call home since this often will encourage the child to stop working through these normal feelings. However, we do treat each camper as an individual and will do everything we can to result in a Camp Anokijig experience that is a positive one for your child and family.

PHONE USAGE

In today's "plugged-in" world we know that a child's phone is often a lifeline to the world for them and can be a source of comfort and reassurance for their parents. However, at Camp, part of the value of the experience is to test and practice one's ability to make new friends, have new types of interactions, and gain independence in a safe and secure environment. We find that making calls home distracts immensely from each of these goals and can also trigger homesickness. Cell phones are likely targets for abuse and theft and their use can cause disruptions in programs. Therefore possession and use of cell phones by campers is prohibited and any personal telephone devices or electronic communication devices will be confiscated and returned at the end of the session. Campers are also generally discouraged from using the office phone, however, if you need to contact your child or get an update on their progress feel free to call the Camp Office at any time.

VISITS

Family visitors are always welcome at camp however best time to view the facilities is on arrival and departure days. Please be aware that, for some campers, a mid-session visit could increase the chances of homesickness. In all cases, for the security of our campers; All visitors to camp must first check in at the camp office and be prepared to show a picture ID. Please note that only those people designated by name on the confidential form will be allowed contact with your camper (phone calls, visits, pick-up privileges at camp or the bus stop). Please be sure to list yourself as a pick-up person. For any changes, a custodial parent or legal guardian must give permission directly to the Camp Office. Please advise us if there are any persons who should NOT be in contact with your camper.

EARLY DEPARTURES/REFUNDS/

There will be no refunds of any fees for any reason once a camper is checked into camp. Campers who depart prior to the end of their scheduled camp period due to homesickness, events outside of camp, or a violation of the Camper Code of Conduct Form will not receive any refund of fees.

CANCELLATIONS

Each session of summer camp requires a separate \$100 nonrefundable/ nontransferable deposit. To qualify for any refund, cancellations must be made at least **four** weeks prior to arrival. Cancellations are not valid until confirmed in writing by Camp Anokijig. Doctor's excuses are required for any medical-related circumstances.

CAMPER MAIL/PACKAGES

Campers receive all mail at the daily mail call after lunch. We encourage you to write often but be aware of what you write. Avoid topics that could trigger homesickness, like how much the dog misses you, etc We recommend packing several pre-addressed/ stamped envelopes for your camper to write to you. Please note that multi-week campers may change living sections. Call the business office for updates.

Regular Postal Letters:

(Camper's Name)
(Housing Section)
Camp Anokijig
W5639 Anokijig Lane
Plymouth, WI 53073-2868

Please do not send or bring Food or Snack Care Packages to camp. (In the camp environment, these packages tend to cause problems amongst tent mates as well as attract many unwanted animal visitors into living areas.) We serve 3 well-balanced, delicious meals daily and up to four snacks are allowed from the camp store per day. We encourage non-food packages! Activity books, travel games, small toys, cards, etc. are great choices. **Any food and drinks that are brought or sent to camp will be confiscated and be disposed of.** Due to limited storage space, **we cannot hold packages and letters** during the week for future timed delivery. Thank you for your cooperation; this is an important issue for your child's safety.

CAMPER E-MAIL

We offer email to and from campers only through the Bunk1Notes and Bunk1Replies service. Bunk1.com is an independent internet company that provides a system for parents to conveniently send and receive emails in a way that doesn't tax the camp computer systems. Emails arrive at camp once daily at 3am and are delivered at rest hour (1:30 pm) Monday-Friday. Replies turned in to the office are processed through Bunk1 from camp each evening. Please refer to the attached insert for costs and further details. PLEASE NOTE: Emails will only be delivered through the Bunk1 service and the camp staff will not require or pursue individual campers to compete and turn in replies. Don't worry if your camper doesn't write often. If you don't hear from your camper, most often the excuse is "I'm just too busy having fun!". It should be noted that Parents will receive a slip at check-in with their child's housing section name and instructions.

HEALTH SUPERVISION

Anokijig provides 24-hour health supervision for minor illnesses, medication management, and basic first aid. Our volunteer medical staff will consist of Licensed RN's, MD's, LPNS, or EMT's, as well first aide trained lay personnel. It is our policy that all medical care, however minor, will be referred to the Health Lodge. For any emergency treatment Anokijig is served by a 911 emergency system with response times for advance treatment normally in the 2-5 min. range. Our health supervisors are well equipped to provide care for most campers' basic needs. However, if your child has unique challenges in regard to physical, mental, emotional, or social issues that might require more advanced or unique care beyond what most would consider "typical" please be sure to contact us to discuss our ability to provide appropriate care for you child's needs. It is our goal to ensure a safe and quality camp experience for your child. Parents or guardians will be notified and kept informed if your child requires a 24-hour stay at the infirmary or a visit away from camp to other medical providers.

INSURANCE COVERAGE AND INFORMATION REQUIRED

Refunds of Unspent Trading Post Account Money

Your child will receive a piece of paper on Saturday morning indicating the remaining balance in their trading post account. Remaining balances will be available for use during checkout and throughout the remainder of our summer camp season. If your child has a balance due, as indicated on the paper, please stop at the Camp Office before you leave Camp. Direct any questions you may have regarding your child's trading post account to our Trading Post Manager.

In the past many Anokijig campers have generously donated what was left in their camp bank account. This kind gesture allowed us to make improvements, purchase new supplies, and most importantly to offer scholarships to children who might not otherwise have an opportunity to come to Anokijig. We all know the many benefits of an Anokijig experience but might not realize the never ending need to make these benefits available to all children.

Please take this opportunity and make a huge difference and participate in the Campership program by donating your balance. Most balances are small, but there are many families involved, so it all adds up. Thank you for sharing the spirit of Anokijig. You may sign the bottom box on your waiver form to donate to this Campership Fund.

We will refund any trading post account balances greater than \$5.00 upon request after our summer camp season ends. To request your refund, call or email the camp office between the 3rd Monday of August and the 2nd Monday of September. After mid-September, we donate all remaining balances to our scholarship fund. Due to the cost of processing, we also automatically donate any remaining balance less than \$5.00. We appreciate your generosity and support of Camp Anokijig. Thank you.
