

# CAMP ANOKIJIG 2023 CAMBERSHIP FORM

**Instructions:** This application must be completed in full and include proof of income to be considered for assistance.  
**Note:** You are **NOT** normally required to send in a deposit with your application. Exceptions to this will be contacted by camp office.

Camperships are awarded for our **Resident Camp** program only and for only 1 week per camper. The Anokijig campership program serves children with real financial need. It's goal is to provide as many children as possible the chance to experience a session of summer camp. Therefore, campership recipients are not eligible for any other program offerings or multiple sessions. Failure to complete your obligations will severely hamper future campership awards. You must send the most current tax return form or proof of income before we begin review.

The application review process usually takes one to two weeks after receipt by the camp office. Afterwards we will contact you to let you know the results of your request.

## PARENT/GUARDIAN AUTHORIZATION

I guarantee the information on this form to be complete and accurate to the best of my knowledge. I understand that any omissions or inaccurate information will result in denial of the campership. I agree to pay the total family contribution portion of the camp fees and also submit all required camp forms at least 6 weeks ahead of camp arrival, or my spot will be canceled. I also agree to provide the camp bank spending funds as needed. I understand that there is no refund for any fees if reservation is canceled by parent or guardian within 6 weeks of scheduled arrival. I understand that failure to pay the family contribution amount, late cancellation, or not showing up for camp will affect future financial aid considerations.

Once checked into camp, any camper who departs early for any reason will not receive any refund. This includes departure due to homesickness, decisions by the camper or family to go home early, or disruptive behavior as determined by the Camp Director.

Although Camp Anokijig will take reasonable care to prevent transmission, we cannot guarantee that a participant will not become infected with a communicable disease, including but not limited to Covid-19 or any variants of Covid-19 ("viruses"). In completing and submitting this registration to participate, I on behalf of the applicant voluntarily assume the risk that I or my child may be exposed to or infected with a virus by participation in camp activities and otherwise, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to a virus at Camp Anokijig may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Camp Anokijig's employees, volunteers, and program participants and their families.

I give permission to Camp Anokijig to investigate any and all information concerning my family financial status and any other information completed on this form.
