

Circle-A Riders Camp 2023

Camp Anokijig Circle A Information Form

Welcome to Camp Anokijig Circle A Program! In order for our wranglers to prepare a great week for each camper in Circle A, we ask that you fill out and return this basic riding background form to the camp office before your camper arrives at camp. We believe strongly in the value of giving young riders a variety of experience working with different horses which allows them to compare and learn how different horses react to similar situations and cues. Because of this we do not assign one specific horse to each child for their week in Circle A, however the following information will help greatly in choosing an appropriate starting point for your child's experience. Please return this form to the Camp Anokijig office through mail or email at least six weeks before your child's scheduled week at Anokijig.
