

CAMP ANOKIJIG

PARENTS INFORMATION PACKAGE

WELCOME TO CAMP ANOKIJIG!

We are pleased that you decided to join us and be part of our wonderful community. We are looking forward to your child's arrival and the opportunity to serve your family with a traditional Anokijig outdoor experience that nurtures personal growth, through positive values, great adventures, and outrageous fun.

Welcome to summer camp 2024. As with last season our program will be back to pre pandemic normal. No vaccinations are required for participation however, the reality is that our program mixes nearly 500 people together each day so while not Required we **highly** recommend vaccination for all major communicable diseases . Last year Anokijig returned to a long standing practice of focusing on symptoms. Campers and staff were screened for sickness and injury upon arrival, this will continue to be the case. As with other facilities like day cares and schools we will ask that for the health and safety of all; if your camper experiences symptoms of any communicable disease, or has contact with someone diagnosed with one, within 10 days of their session; you will keep them home. In these cases, we will gladly do our best to reschedule your child's stay once they are healthy or return your fee with a doctor excuse. If a child arrives with symptoms they will not be allowed to stay. These policies worked very well last year. We will inform you of any change in guidance that might affect our policies. Arriving as healthy as possible is the key to having Anokijig truly remain running as "normal". With everyone taking this care and commitment we hope to have a safe and rewarding summer for everyone. We are most pleased that you have chosen Anokijig and we will do our best to deserve your vote of confidence. The following pages of information have been organized to help you prepare for your child's stay with us; however, if you have any questions, please don't hesitate to call. See you soon at Anokijig!

Executive Director

A WORD ABOUT ANOKIJIG...

Your choice of Anokijig was probably influenced by the wide variety of activities that are offered and the quality of staff and programs. Great emphasis is placed on these elements plus our programs have been developed and are based on our mission objectives of new friends, positive values, personal growth, great adventures, and outrageous fun.

Our Mission:

"To provide youth and families with an outdoor setting and community that is dedicated to the development of positive lifestyles based on respectful principles and values, while learning new skills, experiencing personal growth, having outrageous fun, and developing an appreciation for our natural environment." To serve this mission Camp Anokijig has adopted the concept of the 40 developmental assets as described by the Search Institute. Specifically we hope your child will get the following out of involvement in the Anokijig program:

- Campers should experience support and belonging through positive adult and peer leadership relationships.
- Campers should feel empowered through opportunities to serve others, plan, choose, and lead in a safe environment.
- Campers should experience consistent boundaries and high expectations with positive peer relationships, opportunities to excel and improve, and clear rules and consequences.
- Campers should learn and experience more opportunities for constructive use of time through programs that are interesting, fun, and challenging.
- Campers should increase their desire to learn and experience new skills and activities.
- Campers should show an increased awareness and demonstration of positive character traits (values).
- Campers should increase their social competencies through positive decision making, improved friendship skills, and the ability to choose socially acceptable forms of behavior.
- Campers should increase their sense of positive self-esteem through opportunities for demonstration of achievement, recognition, and competency.
- Campers will feel physically and emotionally safe and comfortable at camp.
- Campers will have fun!

CAMPER CODE OF CONDUCT FORM

Included in the parent pack is a form that outlines our expectations of behavior for all campers. Please review this policy with your camper, then initial each blank, sign the bottom, and return with your required paperwork. Please contact our business office with any questions.

HOMESICKNESS

Homesickness is a normal experience for children at any camp. Homesickness usually subsides when campers become more comfortable with their surroundings. On average, most kids at camp will overcome any anxiety or homesickness on their own within 24-36 hours. Please be assured a homesick camper is not left to navigate this alone though. Counselors and members of the Camp Staff make special efforts to talk with and counsel campers experiencing homesickness. Campers are kept busy in the camp programs where they can redirect their thoughts and feel a part of the group. If your child writes and says they are homesick, please feel free to call the camp office so that we can give you an update on how they are doing since they wrote. Please be assured that you will be called and consulted if your child's homesickness does not subside in a workable timeframe or is extreme.

PHONE USAGE

In today's "plugged-in" world we know that a child's phone is often a lifeline to the world for them and can be a source of comfort and reassurance for their parents. However, at Camp, part of the value of the experience is to test and practice one's ability to make new friends, have new types of interactions, and gain independence in a safe and secure environment. We find that making calls home distracts immensely from each of these goals and can also trigger homesickness. Cell phones are likely targets for abuse and theft and their use can cause disruptions in programs. Therefore possession and use of cell phones by campers is prohibited and any personal telephone devices or electronic communication devices will be confiscated and returned at the end of the session. Campers are also generally discouraged from using the office phone; however, if you need to contact your child or get an update on their progress feel free to call the Camp Office at any time.

CANCELLATIONS

Each session of summer camp requires a separate \$200 nonrefundable/nontransferable deposit. To qualify for **any** refund, cancellations must be made at least **six** weeks prior to arrival. Cancellations are not valid until confirmed in writing by Camp Anokijig. Doctor's excuses are required for any medical-related circumstances.

EARLY DEPARTURES/REFUNDS

There will be no refunds of any fees for any reason once the camper is checked in to camp. Campers who depart prior to the end of their scheduled camp period due to homesickness, events outside of camp, or a violation of the Camper Code of Conduct Form will not receive any refund of fees.

CANCELED BUS OR DAY TRIPS BY PARENTS

No refunds will be given for cancellation of scheduled bus transport or day trip participation fees within two weeks of departure.

SPECIAL DIETARY ACCOMMODATIONS

We have limited ability to handle special diet needs; please contact the Office at least 2-3 weeks ahead of arrival for details or special arrangements. Extra fees apply to certain diet needs that require unique supply purchases.

VISITS

Family visitors are always welcome at camp, but the best time to view the facilities is during individual tours prior to start of session. Please be aware that, for some campers, a mid-session visit could increase the chances of homesickness. In all cases, for the security of our campers: All visitors to camp must first check in at the camp office and be prepared to show a picture ID.

Please note that only those people designated by name on the confidential form will be allowed contact with your camper (phone calls, visits, pick-up privileges at camp or the bus stop). Please be sure to list yourself as a pick-up person. For any changes a custodial parent or legal guardian must give permission directly to the Camp Office. Please advise us if there are any persons who should NOT be in contact with your camper.

CAMPER MAIL/PACKAGES

Campers receive mail at the daily mail call after lunch. We encourage you to write often but be aware of what you write. Avoid things that could possibly make your camper homesick such as telling how much his/her dog misses him, etc. We recommend packing several pre-addressed/stamped envelopes for your camper to write to you. Please note that multi-week campers may change living sections. Call the business office for updates. Due to limited storage space, **we cannot hold packages and letters** during the week for future-timed delivery.

Regular Postal Letters:

**(Camper's Name)
(Housing Section)
Camp Anokijig
W5639 Anokijig Lane
Plymouth, WI 53073-2868**

Please do not send or bring Food or Snack Care Packages to camp. (In the camp environment, these packages tend to cause problems amongst tent-mates as well as attract many unwanted animal visitors into living areas). We serve 3 well-balanced, delicious meals daily and up to four snacks are allowed from the camp store per day. We encourage non-food packages! Activity books, travel games, small toys, cards, etc. are great choices.

Any food and drinks that are brought or sent to camp will be confiscated and be disposed of.

Thank you for your cooperation; this is an important issue for your child's safety.

CAMPER E-MAIL

We offer email to and from campers only through the [Bunk1Notes](#) and [Bunk1Replies](#) service. [Bunk1.com](#) is an independent internet company that provides a system for parents to conveniently send and receive emails in a way that doesn't tax the camp computer systems. Emails arrive at camp once daily at 3am and are printed and delivered at rest hour (1:30 pm) Monday-Friday. Replies turned in to the office are processed through Bunk1 from camp each evening Mon-Thurs. Please refer to the check-in day instructions for costs and further details. PLEASE NOTE: Emails will only be delivered through the Bunk1 service. Don't worry if your camper doesn't write often. If you don't hear from your camper, most often the excuse is "I'm just too busy having fun!" Parents will receive a slip at check-in with their child's housing section name and instructions.

INSURANCE COVERAGE AND INFORMATION REQUIRED

Camp Anokijig does not carry camper health and accident insurance. Medical bills incurred will be mailed to the address listed on the health form unless a copy of the complete current insurance information is attached (copy both sides of the insurance card). Parents must pay for any new medicine obtained for their camper while at camp.

HEALTH SUPERVISOR

Anokijig provides 24-hour health supervision for minor illnesses and basic first aid. The parents or guardians will be notified and kept informed if your child requires a 24-hour stay at the infirmary or a visit to the doctor.

ALL MEDICATIONS MUST BE IN THE PRESCRIPTION BOTTLE, CLEARLY LABELED, WITH THE PRESCRIPTION IN THE CAMPER'S NAME, FROM THE DOCTOR ON THE BOTTLE.

Turn all medications in to the Camp medical staff upon arrival. No medication, supplement, etc. of any kind is allowed to be stored outside of the Health Lodge without permission of the health supervisor. Prescription medicines may only be dispensed to the issued camper name printed on the prescription bottle; according to the Physician's instructions. Please **DO NOT** bring a daily pill organizer. **It is illegal for Camp personnel** to dispense medications that are not in the original container. A medication form must be filled out with all medications the camper will be regularly taking while at camp, noting times during the day to administer and any specific instructions. Non-prescription medications will be dispensed daily per instructions provided by the parent on the Health/Medical form or per camp standing orders when needed for occasional treatment. Please pick up your child's remaining medications during the check out process. Camp cannot be responsible for medications left behind.

CONVERSATIONAL ENGLISH

Camp Anokijig welcomes campers from all walks of life but does not offer interpreter or bilingual services. For the safety of campers, each child is expected to be fluent in conversational English.

WEEKEND STAY-OVER/LAUNDRY “CARRYOVER”

Campers enjoying more than one week may stay over the weekend for an additional \$120.00. Basic laundry services are included in the Carryover fee. .

CLOTHING LABELING

We recommend that all clothing be clearly labeled or marked with your camper’s name.

LOST-N-FOUND

We will hold lost and found items for one week. If you call us we will make every effort to return a lost item. To do this we must package the item and drive it to town for shipping. This requires extensive staff time so there will be a \$5.00 fee for shipping and handling in addition to cost of postage.

PLEASE NOTE: We do our best to return all lost articles, but Camp Anokijig cannot assume the responsibility for lost or damaged property.

Possession of such items may result in dismissal from camp. We also ask that offensive, negative clothing not be brought to camp. If such items are worn, the staff will require the camper to change clothing. Camp will not be held responsible for the loss or damage of personal items.

NOTE: A duffel bag or low plastic storage container works well for storage of clothing and personal items under bunks. There is approximately 10-12” clearance under bunks.

TRADING POST/CAMP BANK ACCOUNT

The Trading Post is our camp store. Campers may purchase snacks (i.e. soda, ice cream, candy bars; priced at \$0.50 to \$3.00 per item), souvenirs (i.e. t-shirts, hats, stuffed animals, sweatshirts, jackets; priced at \$0.50 to \$30.00+ per item), and miscellaneous items (i.e. postcards, stamps, batteries, toiletries). Campers are limited to 4 snack items per day. Purchases will be deducted from the campers' Camp Bank Trading Post account. In order to keep camper accounts accurate, campers are not allowed to buy for others.

Most activities at Camp are included in the fee with the exception of the following activities:

Horse trail rides during directed free periods - \$10.00 or \$12.00 each ride

Craft projects – Free to \$5.00 (depending on supplies needed)

Digital Photo- Free to \$5.00 for photo printing

The Trading Post is open several times during the camp day as well as during Sunday Check-in and Saturday Check-out periods. Cash or Credit Card sales are available on Saturdays and Sundays. If damaged, the cost of a replacement mosquito net will automatically be deducted from the camper's Trading Post spending account prior to departure.

HOW TO SET UP ACCOUNT

To insure that money is not lost, we do not allow campers to carry money/cash. - If you choose to bring cash or a check to camp on check-in day, turn it in at the check-in table

RETURN OF UNSPENT CAMP BANK/TRADING POST MONEY

In the past many Anokijig campers have generously donated what was left in their camp bank account. This kind gesture has allowed us to make improvements, purchase new supplies, and most importantly to offer scholarships to children who might not otherwise have an opportunity to come to Anokijig. We all know the many benefits of an Anokijig experience but might not realize the never-ending need to make these benefits available to all children.

Please take this opportunity and make a huge difference and participate in the Campership program by donating your balance. Most balances are small, but there are many families involved, so it all adds up. Thank you for sharing the spirit of Anokijig. You may sign the bottom box on your waiver form to donate to this Campership Fund.

For a refund of any remaining balance over \$5.00, call or email our office between the 3rd Monday of August—2nd Monday of September after the summer camp season. We will process requests during that time period. After September, all remaining balances will be donated to our Campership Fund to help those children attend Camp Anokijig who might otherwise not have the opportunity. Call us at 920-893-0782 or 800-741-6931, or email us at: anokijig@anokijig.net.

Due to the cost of processing, any remaining balance less than \$5.00 will automatically be donated.

Resident Camp General Program

SKILL PERIODS: Campers choose 2 specific daily activities on registration day to learn and enjoy a new skill or become more proficient in a previously learned skill. They go to those skills each morning of the week. The focus is on learning through fun and games.

ALL CAMP ACTIVITIES: Group games, cookouts, campfires, dances, special events, closing ceremonies, and much more.

SECTIONAL ACTIVITIES: Campers who are housed together choose activities to enjoy as a group. This provides an opportunity for each section and their staff to have a great time together doing age appropriate activities.

DIRECTED FREE PERIODS: All the program areas are staffed and supervised for the campers to choose as they please. They stay at one activity for a whole period or visit several areas; it's their choice. This is a first chance at experiencing independence.

SPECIAL EVENTS: Beach Party, Dance, Talent Show, Theme Day, and much more!
