

Circle-A Riders Camp 2020

Offered All Weeks of Summer Camp

Yee haw! Get ready for a week of adventure and fun at Anokijig's Broken Circle-A Ranch where 50+ horses are eagerly awaiting your arrival. Each participant will be matched with horses appropriate to their riding level throughout the week. All ability levels can be accommodated. Each day we will head out on the trail and into the fields to learn how to ride in the Western style. Lessons include ring work and trail rides with a focus on games that will teach you and allow you to practice riding skills. Throughout the week we will work on riding skills as well as learn how to groom, saddle, and bridle our horses.

A great horseperson understands not just how to ride a horse, but how to take care of one. Our highly trained staff will accompany, teach, and supervise the Circle-A Riders program. Helmets are required and provided, but you can bring your own if you have one (horseback riding helmets only). Please do not bring your own horse—we will match you up with ours throughout the week!
