Back by popular demand!! Liven up Thursday afternoons with a short trip to the Fondy Inflatable Aqua Park. Race your friends down the Zoom Flume and drop 90 feet into a crystal clear man-made lake. Crawl, climb, and bounce your afternoon away on the Wibit, featuring inflatable bridges, rock wall climbs, and trampolines. Relax on the smooth, sandy beach or in the shallow water zone to round out your day of play. Campers will return to Anokijig in time for supper and evening activities. Life-jackets are required for all participants when in the water and are provided by Fondy Aqua Park.

What to look forward to:

- New, inflatable slides, climbs, trampolines, and launches
- A new, exciting twist on waterparks
- Some of the best inflatable obstacles and soft-play around
- An awesome experience!

What to Bring?

- Swimsuit & Towel
- Water shoes or sandals
