NOAH'S ARK WATERPARK DAY TRIP
Wisconsin Dells, WI

July 14, July 21, July 29, Aug. 4, Aug. 11
7:30 AM—8:00 PM

Get ready to “catch a wave” at America’s Largest Waterpark, Noah’s Ark, in the Wisconsin Dells. After an early breakfast at Camp, we’ll head to “the Dells” for a full day of waterslides, lagoons, wave pools, and gravity-defying drops. Your only challenge is to decide which is America’s most thrilling water ride: Black Anaconda, America’s longest watercoaster, Scorpion’s Tail, America’s first looping waterslide, or Raja, featuring 335 feet of twists and turns ending with a 37-foot plunge? Plus, save time for Surfin’ Safari, Time Warp, The Point of No Return, and some awesome wave action in the Big Kahuna wave pool! Come ride the wild slides or relax poolside under the warm sun with all your friends. After a fantastic day at the park, we’ll enjoy a pizza buffet, then head back to Camp in time for the evening’s activities.
